THE REQUIREMENTS OF 807 KAR 5:066,)	CASE NO. 89-073
SECTION 12(4) REGARDING A WATER)	
LINE EXTENSION)	

O R D E R

IT IS ORDERED that East Laurel Water District ("East Laurel") shall file the original and ten copies of the following information with the Commission, with a copy to all parties of record. The information requested herein is due no later than June 12, 1989. If the information cannot be provided by this date, East Laurel should submit a motion for an extension of time stating the reason a delay is necessary and include a date by which it can be furnished. Such a motion will be considered by the Commission.

1. Provide the total number of customers that will be affected by the proposed construction. Also, give the total number of additional customers East Laurel projects it will service within the next 5 to 10 years in the Mullins Road area.

2. Were the customers included in the proposed Line Extension Contract made aware of 807 KAR 5:066, Section 12, Extension of Service?

3. Explain the difference in total cost per customer on the Line Extension Contract for customers on page 1 of 2 versus customers on page 2 of 2.

4. Explain how East Laurel plans to deal with future line extension issues in the Mullins Road area and in other areas within East Laurel's boundaries.

5. Explain the location of the proposed extension lines. Also, provide the length and size of each pipeline.

6. From the submitted engineering plans, it appears that the line extension on Mullins Road is 3 inch line, and the connection will be made to the existing 2 inch line. If this is the case, state how long the existing 2 inch is.

Done at Frankfort, Kentucky, this 26th day of May, 1989.
